Is/are there any aspects in particular influencing your view?	Hampton Road site: Are there any details of the Council's proposals that you think should be changed? If so, please describe what you would like to see.
	poor GP medical availability	We will need medical services, dental services
	Inadequate information on improved medical facilities.	I would like definite answers about what new facilities for medical treatment there will be.
		We need more medical provisions. Can't get an appointment at the doctors now.
	I'm concerned about lack of health facilities	
	no additional healthcare provision has been discussed.	We need new healthcare provision. The existing surgeries cannot cope.
	180 homes at the Hampton road site would only exacerbate the problem to health care in Knowle, trying to get a doctors appointment (pre-covid) was not easy.	health facilities as top priority
	increased pressure on health	The council proposals do not take into account the lack of provision of healthcare
	lack of new healthcare provision.	A Care Home would have huge impact on local health services which is not addressed.
	Increased pressure on healthcare	
	additional health facilities requirements.	health facilities need increasing regardless
	Lack of additional primary healthcare are showstoppers	new doctors
	Not certain about action to improve health facilities. No information given on these matters	Services in the area are all ready running over maximum capacity ie no one can easily see a doctor people resorting to having to pay for private GP
		build a new doctors surgery, don't build any new OAP homes

	additional burden on already over stretched doctors	
	doctors can not cope at the moment and the amount of care homes or retirement homes being developed.	
	too many houses being built for the local doctor's Surgery

will overstretch medical facilities	An important requirement is to provide pedestrian and bicycle routes to Knowle from the Middlefield and Taylor Wimpey developments without using Station Road.	Consideration of improved medical facilities
Where are the new medical facilities in this? the two sites combined will see a 10% increase in the number of homes in KDBH & there is a justifiable concern that medical services could be overwhelmed	Need to see greater medical provision medical services already totally inadequate	concerns regarding future medical provision In addition to medical facilities that possibly conflict with the Neighbourhood Plan
600 proposed new homes will impact significantly in a detrimental way on existing medical infrastructure	insufficient medical, facilities,	Where are the medical facilities for so many people?
number of houses is a concern.... Largely because it seems that existing facilities must absorb this number rather than be expanded particularly health Centres	medical facilities are inadequate	The lack of additional medical facilities. This would be a good location to include a new medical facility
We must have adequate infrastructure support particularly in terms of health.	additional healthcare requirements	Less housing built and instead a medical centre.
	lack of new healthcare provision.	New medical facilities needed
	Lack of especially additional primary healthcare are showstoppers	Assurances on proper investment in associated infrastructure and community facilities, including GP and medical provision.

	Once again there is no provision for healthcare in the plans which is worrying when GP's and NHS densists are already oversubscribed in the area.	Commitment to additional medical facilities
	a further 600 homes at the Arden triangle site would only exacerbate the problem to health care in Knowle, trying to get a doctors appointment (pre-covid) was not easy.	
	Increased pressure on healthcare	We need new healthcare provision. The existing surgeries cannot cope.
	No information about improved health facilities.	Inclusion of health care facilities
	No information on improved health facilities	Addressing the need for additional health facilities by including a doctors surgery in the area closest to the village centre.
	The proposed housing is way too dense & will lead to strain on the healthcare provision in Knowle.	additional healthcare provision, with improved access to these, particularly for the elderly
	health care is already struggling in village.	healthcare requirements
	not including any provision for healthcare facilities	I think if there are going to be new houses, and schools, a part of the deal should be more health facilities.
	Housing density of this magnitude relative to the existing size of Knowle will.....the adverse impact on existing services, such as health

	density is too high for healthy family life and for good community life.	Needs to be half the size with ample services put in, doctors etc. .
	health facilities not there to support this development	infrastructure such as doctors surgeries appear to have been overlooked
	area facilities - health are inadequate for large scale development as envisaged.	
	The impact on the local area health facilities	
	We have great pressure on our health care provisions... <i>which...</i> are already stretched. Unless realistic and firm plans for funding real improvements to these things are presented, with proper guarantees that their targets will be met	
	The impact of the proposed development on our lives will be detrimental to our health and well-being.	
	Far too many houses, the doctors, dentists will not cope	
	600 proposed new homes will impact significantly in a detrimental way on existing medical infrastructure	
	additional burden on already over stretched local doctors
