

## KNOWLE, DORRIDGE & BENTLEY HEATH NEIGHBOURHOOD PLAN

A chance to change the future  
of your Community

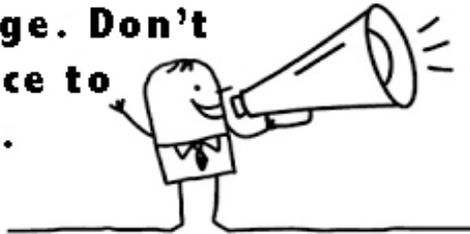

Recent legislation gives communities more power to influence and control developments in their area through creation of a “Neighbourhood Plan”.

Once approved, this Plan becomes policy that must be recognised by local council planners in their decision making.

A group of local people has taken up the challenge and are in the process of creating a “Neighbourhood Forum” to involve as many people as possible who live or work in Knowle, Dorridge and Bentley Heath.

We are about to submit our formal application for official recognition to Solihull Council.

**It's your village. Don't  
miss the chance to  
have your say.**

URGENT APPEAL  
TO ALL THOSE
