Public Open Forum Meeting - 7:30pm, Arden Academy

Please do make sure you join us this coming Monday evening for what will no doubt be a stimulating, interactive session focusing on the new development topics (among many currently) that we are hearing are uppermost in your minds, namely:

- **What next for Arden Triangle (KN2)?** Arden Academy and the Inspectors' findings.
'Inspired Villages' Developer proposal / consultation for an Integrated Retirement Community
- **St Johns Way shopping precinct** refurbishment and upgrade works
- **Future of your Neighbourhood Forum:** Changes to how we are funded and operate -your feedback on, and support for, proposals is key to shaping any future plans

We want (need) to hear your views so as to help make sure your voices are heard - and also, of course, help refresh and inform our thinking going forward. Your input is vital to the future of our community.
