As long as part of these developments are to create infrastructure to support the extra residents then I don't have a problem	the effect on local infrastructure including traffic	proper investment in associated infrastructure
The infrastructure at both schools must be updated.	The infrastructure cannot cope with a large housing estate.	the infrastructure of knowle is just not made for this much development.
	general infrastructure does not have enough capacity.	Improvement to traffic infrastructure
	there is a lack of infrastructure improvements to support the new housing,	The infrastructure cannot support the increase in people rise in crime etc
	The road infrastructure solutions on all junctions is inadequate	
	Not certain about action to improve transport infrastructure,	
	Inadequate information on transport infrastructure,	
	There doesn't appear to have been a full consideration around traffic infrastructure,	
	The existing road infrastructure cannot cope with the increase in traffic	
	Impact on local infrastructure	
	We need to have public transport infrastructure,	
	Traffic, local infrastructure.	
	Knowle doesn't have the infrastructure to support any new housing developments

	Without extra infrastructure, am worried about the impact upon Knowle.	
	impact of more housing on infrastructure	
	Too many houses locally, no infrastructure to support them

the existing infrastructure simply cannot accommodate the demands that would be placed upon it.	Local infrastructure already struggles with the number of people living and working here.	The number of dwellings appears excessive relative to the infrastructure.
We need new infrastructure in the area	too big for the infrastructure to support	improvements to infrastructure
the infrastructure of the village must support the new homes	development in a position that does not have the necessary infrastructure to support.	Assurances on proper investment in associated infrastructure
We must have adequate infrastructure support	Road infrastructure.	infrastructure such as doctors surgeries appear to have been overlooked
need to ensure infrastructure	Improvements to transport infrastructure not clear	lack of proper transport infrastructure
600 proposed new homes will impact significantly in a detrimental way on existing medical and transport infrastructure	Increased pressure on roads and infrastructure	The Council need to be specific about infrastructure enhancements
	Traffic, local infrastructure.	Road infrastructure
	Without extra infrastructure, am worried about the impact upon Knowle.	Roads and transport. infrastructure.
	Too many houses locally, no infrastructure to support them	infrastructure must support fully any level of development.
	Developments in recent years have not included improved infrastructure.	we simply don't have the infrastructure to support a large development
	There is no existing infrastructure to support the proposals in Arden Triangle.	Concept master planning should ideally include earlier availability of the Primary school infrastructure

	We have great pressure on our infrastructure as it stands, and the local resources, such as health care provisions etc. are already stretched.	additional transport infrastructure.
	infrastructure will not cope.	infrastructure re roads and footpaths particularly concerning
	Not enough infrastructure to support	
	Housing density of this magnitude relative to the existing size of Knowle will destroy the infrastructure in general.	
	It would be better to develop a whole new village than bolt onto this one, making new infrastructure and facilities	
	lacking infrastructure,	
	infrastructure won't cope	
	Tno infrastructure
