

SLP Intro and Context

The 'Big Picture' Context 2

There's uncertainty about what the national changes may mean, particularly for areas like ours surrounded by Green Belt

Plans approved during a 'transition' phase will, however, operate within the current system - so there's some urgency

SLP Intro and Context

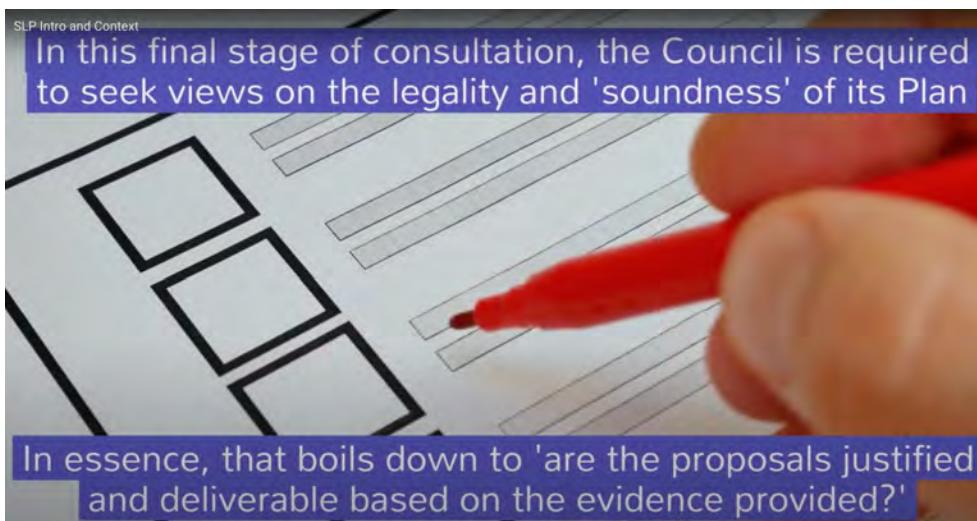

That's NOT to say that we therefore 'just say YES'

although this context may have some bearing on how we shape representations on any objections

SLP Intro and Context

In this final stage of consultation, the Council is required to seek views on the legality and 'soundness' of its Plan

In essence, that boils down to 'are the proposals justified and deliverable based on the evidence provided?'
