

## Sports Facilities

Hampton Road site: If you do support the proposals, why is that? Is/are there any aspects in particular influencing your view?	Hampton Road site: If you do not support the proposals, why is that? Is/are there any aspects in particular influencing your view?	Hampton Road site: Are there any details of the Council's proposals that you think should be changed? If so, please describe what you would like to see.
We need more affordable local sports facilities for all ages	Do not believe moving sports ground is feasible	Limit sports facilities to minimum required.
Need for sports facilities which wouldn't happen otherwise	The sports grounds require new facilities	Greater clarity on the sports facilities, access and parking to be provided and the availability of these to the general public.
Local sports facility	The sports facilities go too far towards Hampton having urbanising effect.	Consider ownership/management of sports facilities to ensure community access to broad range of facilities.
The sports facilities are in my opinion to try to make it more attractive and there is absolutely no guarantees that local people will be able to use them.	Loss of sports facilities,	We need adequate parking for the additional sports facilities.
Better site than Arden would like to see sports field retained.	The use of this site has dramatically increased this year with people being able to walk out into the countryside. With the sports facilities this will add to more traffic and the noise and lighting that this will generate if not controlled from the start	Community/sports facilities should be a requirement.
The POSSIBLE provision of new sports facilities balances to some extent the loss of Green Belt to housing, some of which is not designed to meet local needs. There is a real issue of whether a developer would deliver the sports facilities, especially considering the need for levelling the ground.	Improved sports facilities has to be a good thing for an expanding population.	Viability and clarity on what the sports facilities will be and whether they will be accessible to the wider community.

sports facilities.	We need Cycle and walking provision as well as multiple sports provision to enhance community well-being and maximise participation.	We need Cycle and walking provision as well as multiple sports provision to enhance community well-being and maximise participation.
the extensive sports facilities shown.	The 'carrot' of new sports facilities now only definitely means the football club.	The 'carrot' of new sports facilities now only definitely means the football club.
Sensible location and good for sports facilities	the new sports areas would be on green belt land.	the new sports areas would be on green belt land.
The council will build anyway so the proposed move of sports facilities provides an ideal site.	<p>While improved sports facilities would be nice it is far from clear what will or could be delivered, especially given the site costs/topography.</p> <p>The Site is certainly not "very accessible" as the Council claims, even on its own criteria.</p> <p>Why does the Plan show the cricket pitch - there seems a risk that still will be developed too as there is no defensible Green Belt boundary between the football and cricket site.</p> <p>It is very worrying if the cricket sites are to be relocated and this would put the Knowle &amp; Dorridge cricket club on Station Road at risk of being replaced with housing!</p>	<p>While improved sports facilities would be nice it is far from clear what will or could be delivered, especially given the site costs/topography.</p> <p>The Site is certainly not "very accessible" as the Council claims, even on its own criteria.</p> <p>Why does the Plan show the cricket pitch - there seems a risk that still will be developed too as there is no defensible Green Belt boundary between the football and cricket site.</p> <p>It is very worrying if the cricket sites are to be relocated and this would put the Knowle &amp; Dorridge cricket club on Station Road at risk of being replaced with housing!</p>
We need some decent sports facilities as a large village and this would make it possible.		
New sports facilities for the village		
New sports facility needed		

Hampton Road site: If you do support the proposals, why is that? Is/are there any aspects in particular influencing your view?	Hampton Road site: If you do not support the proposals, why is that? Is/are there any aspects in particular influencing your view?	Hampton Road site: Are there any details of the Council's proposals that you think should be changed? New sports provision is welcome.		
New sports facilities are need any way and so would be a good time too corporate before the clubs rebuild nothing.		
Schools and sports		
sports/ somewhere for 10-18!years olds to go facilities are provided - it's a desperate situation for our young folk - youth club at arden was stopped		
Improved sports facilities		
Improving sports facilities and moving them to the edge of the villag is beneficial.		
When compared with other potential sites, community benefits (sports) are high.		
the sports facility revamps being included		
Added sports / leisure facilities		
New sports facilities welcome but must be open to community use and appropriately managed.		
sports facilities are important		

Arden Triangle Site: If you support the proposals, why is that? Is/are there any aspects in particular influencing your view?	Arden Triangle Site: If you do not support the proposals, why is that? If so, please describe what you would like to see.
---	--	--

new secondary school..... Initially there was also talk of facilities for the village, such as a swimming pool, sports hall etc. I'm not sure what happened to this!		
--	--	--

I support.... much needed sports facilities
